1. MAPPING YOUR VISIT OF OUR WEBSITE

A. COOKIES

- i. A cookie is a small text file that is stored by the browser of your computer, tablet or smartphone when you first visit this website.
- ii. Caransa Groep B.V. uses different types of cookies:
 - a. Functional cookies: These are cookies with a purely technical functionality. These ensure that the website works properly, so that it can, for example, remember your preferred settings. Using these, we can also optimize our website and the services through our website.
 - b. Analytic cookies by third parties: These cookies can keep track of your online behaviour. These cookies are used by Google Analytics.
 - c. Tracking cookies: These cookies are placed by an external party. By reading these cookies the advertiser recognizes you when you visit a site in which he is also involved. If you continue browsing, personalized ads can be shown. These cookies can also keep track of your online behaviour, which may result in a very specific profile being built by these parties. This profile can be so detailed that it is considered personal data.

B. CHANGE COOKIE SETTINGS

- i. Your cookie settings were set by you on your first visit to our website. All non-functional cookies can be denied per category. Placement of cookies, other than functional or anonymous analytical cookies, takes place only after an active action by you as a visitor. You can change your settings at any time via our website

C. LEGAL BASIS OF DATA PROCESSING

- i. Functional cookies: The basis for processing functional cookies is the legitimate interest of Caransa Groep B.V.. The interest of Caransa Groep B.V. is based on the need to ensure proper functioning of the website. However, the user's interest in maintaining his or her privacy is not exceeded, as functional cookies do not collect personal data that can be used for marketing or other purposes.
- ii. Analytical and tracking cookies: The basis for processing analytical and tracking cookies concerns the consent given to Caransa Groep B.V.}. This article provides that the processing of personal data is only allowed if the data subject has given his or her unambiguous consent. The requested consent gives you, the user, control over your personal data and provides transparency on how this data is used.

B. COOKIE TABLE

Name	Type(s)	Cookies	Duration
Azure Web App	Functional	ARRAffinity	End of session
Azure Web App	Functional	ARRAffinitySameSite	End of session

This cookie is used to redirect a visitor to a particular Azure Web App. For example, if a visitor accesses Azure from different sources, the cookie helps the user go back to the same app instance he came from, instead of getting a random instance each time. This can be useful for some apps that store the user's status in memory.

Cloudflare	Functional	__cf_bm	End of session
------------	------------	---------	----------------

Cloudflare is a platform that improves the performance and security of websites. These cookies identify and track the user, among other things to run a load balancer and a bot manager. A cookie is also used to determine whether web traffic is trusted. This processing takes place in the United States of America.

WPML	Functional	wp-wpml_current_language	End of session
------	------------	--------------------------	----------------
