1. MAPPING YOUR VISIT OF OUR WEBSITE

A. Cookies

- i. A cookie is a small text file that is stored by the browser of your computer, tablet or smartphone when you first visit this website.
- ii. Passa Sports GmbH uses different types of cookies:
 - a. Functional cookies: These are cookies with a purely technical functionality. These ensure that the website works properly, so that it can, for example, remember your preferred settings. Using these, we can also optimize our website and the services through our website.
 - b. Analytic cookies by third parties: These cookies can keep track of your online behaviour. These cookies are used by Google Analytics.
 - c. Tracking cookies: These cookies are placed by an external party. By reading these cookies the advertiser recognizes you when you visit a site in which he is also involved. If you continue browsing, personalized ads can be shown. These cookies can also keep track of your online behaviour, which may result in a very specific profile being built by these parties. This profile can be so detailed that it is considered personal data.

B. Cookie notification and what to do when you don't like cookies

- i. Your cookie settings were set by you on your first visit to our website. All non-functional cookies can be denied per category. Placement of cookies, other than functional or anonymous analytical cookies, takes place only after an active action by you as a visitor. You can change your settings at any time via our website

2. COOKIE OVERVIEW

A. Cookie name, cookie type, cookie function and the retention period

- i. The different types of cookies that the Passa Sports GmbH website uses are shown in the table below.
- ii. On sportshop.com, there are a total of 34 different cookies. The following cookies are placed on the visitor's hard drive when you visit the Passa Sports GmbH website:

B. Cookie table

Name	Type(s)	Cookies	Duration
Clerk.io	Tracking	visitor	1 years

The A.I. van Clerk.io uses the behavior of website visitors to automatically optimize

search results, product recommendations and marketing.

Cloudflare	Functional	<code>_cfduid</code>	1 months
------------	------------	----------------------	----------

Cloudflare is a platform that improves the performance and security of websites. These cookies identify and track the user, among other things to run a load balancer and a bot manager. A cookie is also used to determine whether web traffic is trusted.

Facebook	Tracking	<code>c_user</code> <code>fr</code> <code>xs</code>	End of session 3 months End of session
----------	----------	-----------------------------------------------------------	----------------------------------------------

Facebook uses different cookies. Collected user data is specifically adapted to the user or device. The user can also be followed outside of the loaded website, creating a picture of the visitor's behavior

Google	Tracking	<code>__Secure-3PAPISID</code> <code>__Secure-3PSID</code> <code>__Secure-APISID</code> <code>__Secure-HSID</code> <code>__Secure-SSID</code> <code>1P_JAR</code> <code>APISID</code> <code>HSID</code> <code>NID</code> <code>SAPISID</code> <code>SID</code> <code>sid</code>	End of session End of session End of session End of session End of session End of session End of session End of session End of session End of session End of session
--------	----------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

These cookies are set by Google for using Google Maps and Google Adwords. For example, preferences are saved, they protect against unauthorised access and they make clear which media, used by Google Adwords, is effective. You can read [here](#) how Google uses your personal data.

Google Analytics	Analytical	<code>_dc_gtm_UA-9265907-30</code> <code>_ga</code> <code>_gat_UA-9265907-31</code> <code>_gid</code>	End of session 2 years End of session 22 hours
------------------	------------	----------------------------------------------------------------------------------------------------------------	---------------------------------------------------------

Google uses the `_ga` cookie to give the website administrator an idea of the visitor flow through the Google Analytics service. The `_gat` cookie ensures that an unlimited number of requests to transfer data can't be sent.

Magento	Functional	<code>cat_previous</code> <code>filter-popup</code> <code>frontend</code> <code>frontend_cid</code>	1 months End of session 22 hours 22 hours
---------	------------	--------------------------------------------------------------------------------------------------------------	----------------------------------------------------

The website uses Magento as a webshopping platform. The cookies that are placed make it possible for the website to manage the webshop effectively and to enable visitors to complete, remember and process their purchases.

Site Cookies	Functional	<code>newsletter</code> <code>sport</code> <code>store</code>	22 hours 1 years 1 years
